

# EUROPAM Batch Document

## General Information

Product (commercial name):

Species (scientific name):

Plant part:

Supplier:

Batch number:

Quantity:

Product from:

cultivation

wild collection

Type of production:  conventional

If wild collection, permission required?  yes  no

organic

Origin (country and district):

Harvest year & period:

## Cultivation

Irrigation

Fertilization:  none  mineral  organic

### Plant protection products:

trade name

active substance(s)

## Post Harvest Processing

Washing

Freezing

Cutting

Distillation

Steam treatment

Irradiation

Drying

Natural Drying

Artificial Drying

Combustible (direct heating only):

Fumigation

Fumigant:

Separation:

Others:

Packaging material:

Storage conditions:

Production in compliance with the GACP according to EMEA/HMPC/246816/2005?

yes

no

not applicable
